Humboldt Bay Marathon is a non-profit organization dedicated to promoting and supporting trails and outdoor recreation in Humboldt County. Plans are going well for our 3rd Annual event, the second weekend in August, with a uniquely Humboldt County character showcasing the beautiful scenery and unique communities that surround Humboldt Bay. Proceeds from this event will be used to support the management and maintenance of trails in the greater Humboldt Bay area, and also to support outdoor recreation in Humboldt County.

Once again expect thousands of people, both runners and spectators, to turn out for this wholesome event.

Out of town runners will be arriving and filling our local hotels, dining in our restaurants and shopping in our local businesses. Spectators will line the streets of Old Town and Henderson Center in Eureka and fill the area surrounding the Arcata Plaza. The marathon passes through Indianola, Bayside and Manila where we expect many enthusiastic supporters as well. The Marina Mile is focused around the Eureka Waterfront and is expected to draw a big crowd of locals and visitors for both the Fun Run and Elite Competitive heats.

As you can imagine, creating a very successful first year event of this magnitude can only happen with help from many places. I have written you because I believe you and your business will be a good match with our vision for this running event. Please seriously consider supporting our efforts at a significant level.
